

Help build a world where everyone has a decent place to live.

Since 1994, Habitat AmeriCorps has offered a paid service year within the nonprofit and housing industries.

Spend up to a year helping families build or improve a place to call home.

Serve full time or part time within the U.S. for six to 12 months.

Follow in the footsteps of over 12,000 Habitat AmeriCorps members who have helped create safe, affordable homes.

Strengthen your project management experience by serving in the field on build sites or within an office setting.

Receive a post-service educational award.
